11U, 13U & 15U Baseball

This year teams will not be categorized as either “classic” or “recreational” teams. Instead the first two weeks of the season will consist of evaluation games. After the evaluation games the teams will be divided into leagues based on their level of play. Due to the evaluation process the entire schedule for the season will not be available until after the evaluation process is completed two weeks into the season.

MAJORS VS. MINORS

Players who have birthdays between 9/1/01 through 9/1/02 (typically 2nd grade students) have the option of selecting either **Machine Pitch Minors** or **Machine Pitch Majors**. Majors uses a harder ball, a faster pitch speed and may have games at parks beyond Kenwood and Bryn Mawr. Make sure your child is ready if you select Majors as the game will not slow down to accommodate the lesser skilled players.

Volunteer Coaches/Background Check Requirements

WESAC needs coaches. We are a volunteer organization that depends on parents to coach. WESAC will train you on the basic skills of coaching and baseball so you do not need to be an expert to help your child’s team.

Background checks are required for coaching and typically take two weeks to clear. This year we are asking that our volunteers begin the background check process in **March**. If you indicate on your registration that you are interested in coaching you will be contacted with further instructions. This process needs to be completed prior receiving any roster information and equipment. **If a team is without a coach with a completed background check the start of that team’s season may be delayed.**

All coaches are asked to attend the player draft for their child’s league. Parents interested in learning more about coaching and/or interested in coaching or assisting are strongly encouraged to attend the draft. Teams selections are made at the draft and all coaches with cleared background checks will receive roster information, uniforms and equipment. Coaches without cleared background checks will be able to assist in the team formations but will not be able to contact their players or collect their gear until after their background check has cleared.

Please indicate on your registration if you would be willing to help in any capacity.
