CLASSIC VS. REC

Players at the 11U and older level can select to participate in “Classic” or “Recreational” baseball. The Classic teams are advanced skill level teams facing stiffer competition. **Please do not place your child in the Classic League unless he/she is ready for that level of commitment and play.** Classic coaches reserve the right to send a child to a Rec team if their skill level is not appropriate for a Classic team.

MAJORS VS. MINORS

Players who have birthdays between **9/2/00 through 9/1/01** (typically 2nd grade students) have the option of selecting either **Machine Pitch Minors or Machine Pitch Majors**. Majors uses a harder ball, a faster pitch speed and may have games at parks beyond Kenwood and Bryn Mawr. Make sure your child is ready if you select Majors as the game will not slow down to accommodate the lesser skilled players.

COACHES & VOLUNTEERS NEEDED

WESAC needs coaches. We are a volunteer organization that depends on parents to coach. WESAC will train you on the basic skills of coaching and baseball so you do not need to be an expert to help your child’s team. If we cannot find enough coaches for the teams it may mean that your child will not get to play this season.

Please indicate on your registration if you would be willing to help in any capacity.
